The Lorain County Solid Waste Consortium has entered its second five-year contract period in April 2019. There are 12 communities in the Consortium. Elyria Township is the newest member. Eleven of the Consortium members who did not request yard waste services will be serviced by Rumpke Waste. The City of Avon Lake will receive trash, recycling, and yard waste services from Kimble Waste. Both Rumpke and Kimble are family-run hauling companies who have served Ohio residents for decades.
