The two enjoyed bowling on leagues in Wellington and Oberlin. Lloyd worked on the family farm raising dairy cattle, draft horses etc. Marge stayed home with the children until their daughter's graduation, before going back to work.

Lloyd and Marge continue to share their love with each other and their family now consisting of the kids Marci and Mike, a loving daughter in law, Kristyn; five grandchildren, Carrie, Jill (husband Nick), Madalyn, Marshal, and Lillian, and two great grandchildren Mason and Cole.

Both retired, Lloyd still works on the farm baling hay, driving horses, and giving his grandchildren endless tractor rides. Marge helps with her grandchildren whenever she can, taking them to practices, teaching them to sew and cook, and helping care for her great grandchildren. Something the two pride themselves in is their hobby of making Maple Syrup. The two have done this their entire lives, and are happy to pass it on to future generations, tapping the trees, collecting the sap, and boiling their very own Mull Family Maple Syrup. Lloyd and Marge also love to attend county fairs together as their "vacations" with the entire Draft Horse Community at the Richland County Fair, Lorain County Fair, and Ashland County Fair.

Please help us to celebrate their 50 years together by wishing them a Happy Golden Anniversary if you see them.

### 50<sup>th</sup> Anniversary Celebration

Lifelong residents of Pittsfield Township, Lloyd and Marjorie Mull are celebrating 50 years of marriage on Nov. 29. Lloyd is the son of Frank and Verna Mull of Pittsfield and Marjorie the daughter of Milton and Jeanette Heatwole who were Pittsfield residents. The two met in High School and can still recall their first date on Jan. 28, 1969 at a Wellington High School basketball game, after which they went out for a hamburger. The two have lived a simple life from day one.

Lloyd graduated from Wellington High School in 1968 and Marge followed in 1969. After marrying Nov. 29, 1969 they moved a time or two then settled in Pittsfield on their current farm. They had two children: Marci born September of 1970 and Michael was born in October of 1972. Marjorie regularly attended the Pittsfield Community Church and was a member of the church's choir and Women's Fellowship groups. Lloyd attended every church fish fry religiously.

## RUMPKE

Rumpke has experienced some truck fires at its Cincinnati and Columbus recycling facilities and across the company. The culprit: batteries.

Placing batteries – **specifically lithium ion batteries** – in your recycling and trash containers causes a dangerous situation. When batteries break, they spark fires, putting people – employees and the motoring public – unnecessarily at risk.

Don't place batteries in your trash or recycling containers. Please properly dispose of unwanted batteries through your solid waste center in Elyria.

### Labor Day: Monday, Sept. 2, 2019

Rumke will not pick up on Monday, Sept. 2.

Service will be delayed one day during the rest of the week. Rumpke will return to its regular collection schedule the following week.

### For Your Home

• Rumpke's service includes collection of six, 32-gallon cans or bags per pick-up (may vary by service region). Cans and bags should not exceed 50 pounds

• Please contact Rumpke at least 48 hours before your regularly scheduled collection to request a large item pick-up, and/or excessive amounts of trash. Television sets cannot exceed 32 inches for curbside pick-up. Any mattress or upholstered furniture must be completely sealed in disposable plastic for removal. Additional fees may apply.

• Freon containing appliances require special handling procedures prior to pick-up. Please complete a refrigerant recovery statement found on the Rumpke website and contact Rumpke for details.

• ***Rumpke is not permitted to accept batteries, tires, liquids, combustible materials or any items identified as hazardous***
