**IN FEBRUARY – Central Lorain County Ambulance is receiving a new ambulance!**

\* \* \* \* \*

**Leak Detection**

Check toilets for leaks. Put a "leak detector" dye tablet or food coloring in your toilet tank. Do not flush the toilet for half an hour. If dye appears in the bowl, you have a leak that should be repaired promptly.

Check faucets and pipes for leaks. Leaks waste water 24 hours a day, seven days a week. Even the smallest drip from a worn washer can waste 20 gallons or more each day.

**PITTSFIELD ROAD & MAINTENANCE**

The Whitney Road bridge project is scheduled to be completed by the end of August 2020!

The Pittsfield Township received a grant for a new diesel truck!
